

# Crochet Santa Ornament Pattern

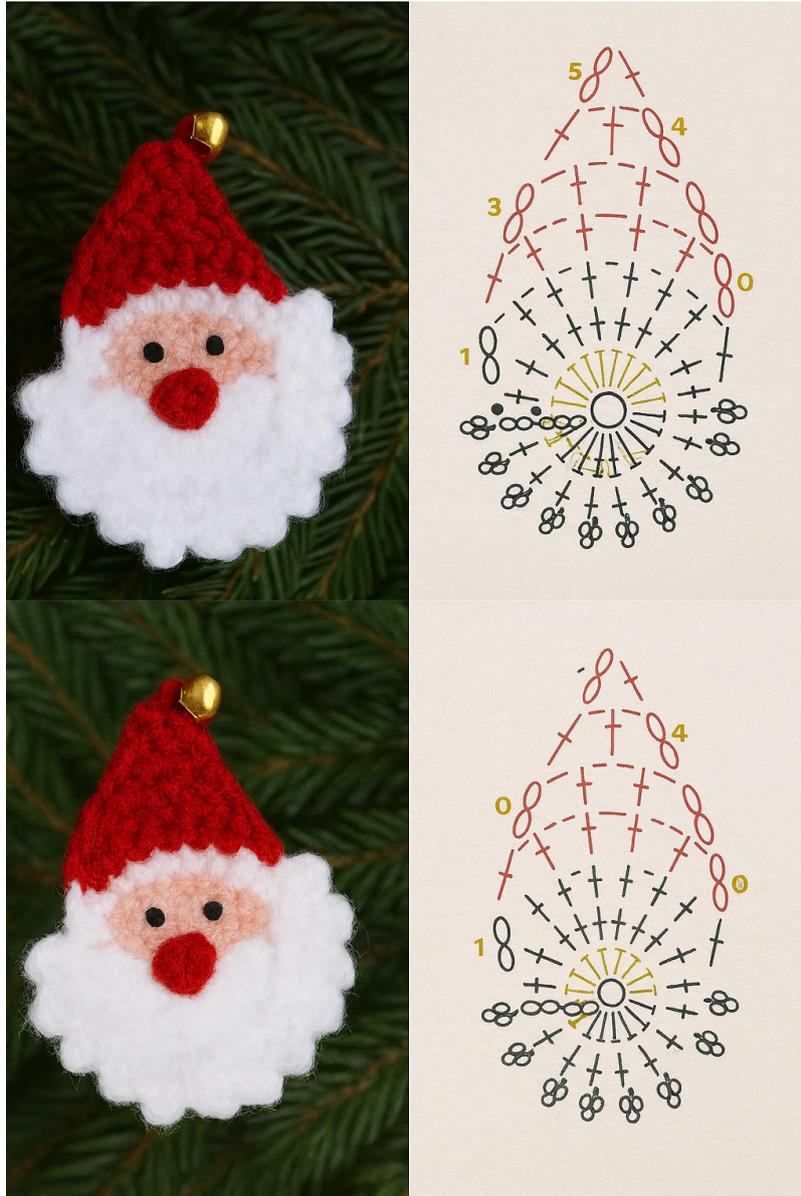

This PDF will guide you step-by-step to create an adorable crochet Santa ornament. It includes written instructions, pictures, and crochet charts to make your work easier. You can hang this Santa on your Christmas tree or use it as a festive decoration.

## Materials Needed:

- Red yarn (for the hat and nose)
- White yarn (for the beard)
- Skin-tone yarn (for the face)
- Black yarn or beads (for the eyes)
- Crochet hook (size according to your yarn)
- Yarn needle
- Scissors
- Small bell (optional, for the hat tip)

## Step-by-Step Instructions:

1. **Face:** Start with a magic ring using skin-tone yarn. Follow the chart below for stitches. Work in rounds to form the face.
2. **Beard:** Using white yarn, follow the chart to crochet the beard around the face circle.
3. **Hat:** Using red yarn, start from the base of the hat and work upwards following the triangle-shaped chart.
4. **Details:** Add two small black beads or stitches for eyes. Crochet a small red circle for the nose.
5. **Assembly:** Attach the hat to the face and sew the nose and eyes. Add a small bell to the top of the hat if desired.

The charts on the right side of the image show the stitch placement for each section. Follow the numbering (0, 1, 3, 4, 5) for rounds and stitches. This will help you recreate the exact shape of Santa's hat and beard.
